

## Medical Provider Network “MPN” Information

**The SIG MPN is managed and administered by PDI Managed Care Services. Please click on the link below to go straight to the “Find an MPN Provider” page on the PDI website:**

<http://www.pdimcs.com/MPN.php>

Enter the SIG Employer ID #: 24267

*Click on a “Specialty” group on the left hand side of the page to bring available providers within the MPN.*

If you have any questions or need additional information, please contact the PDI MPN Administrator
